

"as many as were willing hearted" - Ex. 35:22

In May we continued our daily outreach across our city and nearby villages with humanitarian aid and Gospel literature. It also involved our annual Religious **Visa** renewal, which is extra challenging due to the fact that gov't offices close down whenever the air raid sirens go off, which often results in them never opening for days on end. God was faithful and we not only submitted our papers but received them in record time, turned them into **Immigration** which was a bit more challenging, but ultimately God gave us another year to serve Him here in eastern Ukraine "for such a time as this". Sergei & Rita continue working fulltime with us in the church, both are such a big help & blessing. It became necessary to travel with Sergei to Poland before heading to Romania where he is now working with a missionary there, daily with Ukrainian refugees. Sergei will remain there serving fulltime until his paperwork is approved by the US Consulate and he's allowed to go Stateside to begin raising support as a fulltime evangelist here in Ukraine. We do pray for God to open 20 churches to support a proven faithful servant of the Gospel who is a monumental help to our work here in Kharkov. ***Cathy** continues with the deaf and ladies, giving medical checkups and more. Situation & safety hasn't warranted yet her evacuation. **JUNE** saw our city being pummeled by Russian missiles but the Lord continues to protect us. Mostly civilian targets, clear & blatant war crimes. Vita is now helping on Saturdays along with her daughter Rita as we continue delivering food/humanitarian to elderly disabled, shut-ins and widows. We also continue sending medical supplies and non-lethal aid to soldiers stationed around our city, as a new front has opened just 50 miles from us. We now have a "safe house" we rent way over in Uzhgorod where Brittaini is working fulltime. Thanks for supporting & praying over us. God will recompense unto every man accordingly.
